

JACKSON COUNTY RURAL ELECTRIC MEMBERSHIP CORPORATION
SCHEDULE OF MISCELLANEOUS CHARGES

Collection Trip – If it shall become necessary to visit a service location because of a consumer’s failure to submit timely payments or to establish account responsibility with positive identification in a timely manner. \$50.00 per trip

Failed Payment / Insufficient Funds – Whenever a consumer’s payment for an obligation owed to the Rural Electric is accepted by the Rural Electric in good faith and subsequently fails to convert into usable funds. \$30.00 per transaction

Reconnection of Service – Where a service is disconnected, payment of a reconnect charge(s) will be a condition for restoration of service. Each charge listed is specific based on the customer request.

- Reconnect scheduled for the next business day during normal working hours. \$80.00
- Reconnect requested for the same-day during normal working hours. \$130.00
 - \$80.00 reconnect charge + \$50.00 same-day reconnect charge
 - Such reconnections must be scheduled before 3:00 PM of a normal business day.

*Note: During the appropriate billing cycle collection period, if a same-day reconnect is requested for a non-pay disconnected account before **3:00 PM** on a normal business day, the same-day reconnect charge will not be charged. (See C13 Collections for details)*

- Reconnect request requiring overtime labor to complete. (After 3:00 PM) \$150.00
 - \$80.00 reconnect charge + \$70.00 overtime reconnect charge
 - Only available to accounts disconnected for non-pay.
 - Such reconnections are not available after 9:00 PM or on Sunday’s and holidays.

A reconnection associated with maintenance or repair activities, and without billing interruption will not be subject to any charges.

If service has been idle for over five (5) years and the facilities and/or right-of-way are no longer suitable for use, Rural Electric may require the customer to be additionally responsible for the restoration costs according to terms applicable in C30 Service Extension policy.

Remote Disconnect Metered Accounts – Where a service is metered with a remote disconnect meter. If a reconnection requires a serviceman to be dispatched to the site, other than as outlined within a specific policy or terms, standard charges as detailed in the Reconnection of Service section above shall be applied.

- Prepaid electric service account disconnect charge. \$10.00
 - See C03B Rules of Service Appendix B – Prepay Terms for details.
- Post-paid account reconnect charge. \$80.00
 - See C16 Remote Disconnect Meter policy for details.
- There are no additional charges for a member requested same-day reconnect during normal working hours when the reconnect can successfully be accomplished remotely.

Security Light Activation – Basic installation or reconnection of security light service requiring a separate trip to the service location. \$80.00

- Activation associated with maintenance or repair activities and without billing interruption will not be subject to this charge.

Temporary Service – When a consumer has contracted for a permanent service extension and requests a temporary connection from that extension for construction purposes only, Rural Electric will provide a temporary service panel. \$35.00 for each six-month period

- The temporary service panel charge will applied to the account at the end of each six (6) month period.
- The maximum period a temporary service panel can remain in service shall be twenty-four (24) months, by which time the service must be permanently connected or else be subject to disconnection with proper notice until a permanent connection is provided.
