

JACKSON COUNTY RURAL ELECTRIC MEMBERSHIP CORPORATION

Schedule "I" - Idle Service

Character of Service – Continued maintenance at property owner's request of an idle electric service location that would otherwise be retired. Future activation would not require a line extension contract.

Applicability – Applicable to any inactive service, including primary and/or secondary voltage facilities, for which line extension contract terms have been satisfied (or deemed inapplicable by the Rural Electric); which does not present a danger to the public or to Rural Electric personnel; and where the property owner, despite little or no active utilization over the previous five-year period, elects to keep the service in place that would otherwise be retired.

Rate – A monthly Service Retention Fee equal to one-half of the Basic Service Charge that would be in effect if the service location was active

Consumer Facilities – All facilities beyond the metering point shall be the responsibility of the property owner or future service applicant.

Late Payment Charge – If a bill is not paid within seventeen (17) days after the bill is mailed, it shall become a delinquent bill and a late payment charge may be added in the amount of ten percent (10%) of the first three dollars (\$3.00) and three percent (3%) of the excess of three dollars (\$3.00).
